

Lyrics to David's Dance

**Background vocal track & rehearsal track provided on MP3 files*

We're singing to him a new song
Declaring his grace
Praising his name with flute and dance
With Trumpets and strings

We're celebrating his name, his grace
We're celebrating his love, his might

Like Joshua and the walls of Jericho
We're marching around
We're keeping the pace
We want to shout
'Til all our enemies fall down

We're celebrating his love, his grace
We're celebrating his might, his name

Like David who danced with all his might
We're celebrating the King
Declaring the victory of the Lamb
The world looks on as we sing

We're celebrating his name, his grace
We're making music and praise his name

Celebrating, Celebrating, Celebrating, Celebrating
We're celebrating, We're celebrating . . .
